Make a difference...

Try and think of Christmas without presents... perhaps a difficult concept to grasp for our children here in the UK. But for some other families, who do not live far from here, this is their reality.

WEBA is partnering with a small group of churches from the Baptist Union of Albania.

WEBox aims to transport and support the distribution of Christmas shoeboxes to the children in their communities!

In 2015 over 1600 boxes were shared with the children of **Albania**.

who can be involved?

schools | families | churches

individuals | **anyone!**

Please include a **£2** donation in your box towards the cost of the provided **WEBox** and transportation. Collection Points will be listed on the **WEBox** page www.webassoc.org.uk
